Celebration Mystery Quilt-Along

Part 1

We are so excited to welcome you to *Quilt Street*! To help celebrate the opening of our new neighborhood, we're launching a fun mystery quilt-along led by instructor Krista Moser. A new part of the quilt pattern will be released along with each video lesson.

If you've never done a mystery quilt-along before, this is perfect for you! The pattern is beginner-friendly, and each component comes together quickly. With only five parts in total, before you know it, you'll have a charming throw-size quilt top.

Remember, this is a quilt-along that comes with a free bonus video series. Krista will lead you through each part of the pattern with expert tips to help you improve your piecing skills.

This first part of the quilt-along is all about picking your fabrics. For our quilt, we used summery floral prints from the Next Door Garden collection designed by Victoria Findlay Wolfe for FreeSpirit Fabrics.

No matter what color palette you decide to use, be sure to watch the first video of the series in which Krista describes how the different fabrics work together in the quilt and what you should keep in mind when picking prints.

Thank you for joining our celebration of *Quilt Street*'s debut!
